

SPONSORSHIP PROSPECTUS

2023 - 2024*

THE POCUS PEOPLE

*1ST JULY 2023 - 30TH JUNE 2024

ABOUT EMUGS

EMUGs is a grassroots community that rallies together expertise to enable best practice in the utilisation of focused ultrasound in clinical care.

EMUGs advocates that POCUS be recognised as a core competency for Emergency Medicine doctors and that POCUS training should be available to all emergency medicine practitioners.

This is achieved via:

- an active and passionate community
- face to face & online meetings and events
- clinical education and training
- networking
- sharing of clinical resources
- industry collaboration
- focussed outcome projects

2023-2024

WHO WE ARE

EMUGs is a not-for-profit special interest group of ultrasound users and supporters who primarily work in the emergency departments of Australia and New Zealand.

OUR VISION

Improved patient outcomes through the universal practice of focused ultrasound in acute care settings.

OUR PURPOSE

To support clinicians to perform and integrate high quality ultrasound in acute care.

2023-2024

WHY SPONSOR US?

Our sponsorship program provides a unique opportunity to reach our extensive community of actively engaged and passionate industry leaders in the sphere of focused ultrasound in emergency medicine.

Our alliance of point-of-care ultrasound (POCUS) enthusiasts across Australasia includes:

- Emergency Medicine (EM) Physicians, ranging from newly-qualified Consultants to those in senior and management roles
- Emergency Medicine trainees
- Residents and Interns in Emergency Medicine
- Supportive sonographers and sonographer educators (SEEDs) with an interest in POCUS
- Medical students with an interest in EM or ultrasound
- Interested consultants and trainees from other specialities including Intensivists, GPs and anaesthetists.

As an EMUGs sponsor you are directly enabling our mission of advancing focused ultrasound in critical care to improve patient care and outcomes.

2023-2024
